**The Book and Study Guide
are available on Amazon**

The Deborah Anointing shows you that although you may have been trapped in tradition and locked into captivity by cultural and gender prejudices, God desires for you to break through these barriers. Now is the time to embrace the fullness of your purpose.

God has a strategic plan for revival and reformation in which women will play a vital role. We are living in a time when God is calling and working through women to fulfill His redemptive plans for mankind.
