

Greetings to all present and future Sunday School members,

As you all may be aware, Bible Study has resumed this year. I am working with Pastor Bryan and the Christian Education staff on a new schedule for Sunday School which will take place on a selected day of the week other than Sunday morning beginning in the year of 2022 via Zoom vs In Person. Below, you will find a short survey which will help us to decide the best dates and time for groups: Adult, Youth/ Impact, and Children classes based on availability of the teacher.

Submission deadline is December 18, 2021

Please circle one for your age group:

Adults, age: 26 & up

Youth/ Impact, age: 16 - 25

Children, age: 4 - 15

Class preference:

Saturday morning 9:00 am – 10:00 am

Weekday evening 7:00 pm – 8 pm

Monday

How may we assist in your spiritual growth and maturity through continued Christian Education?
